FIRE EXTINGUISHERS

OSHA 1910.157(G)(1)(2)

Annual Training is Required:

Where the employer has provided any portable fire extinguisher for employee use in the workplace, the employer shall also provide an educational program to familiarize employees with the general principals of fire extinguisher use and the hazards with incipient stage firefighting.

**The fire code requires fire extinguisher training for certain occupancy classifications as well as OSHA*

WORK PLACE EMERGENCY ACTION PLANS (EAP)

OSHA 1910.38:

An employer must have an emergency action plan. The plan must be in writing (for 10 or more employees). Kept in the workplace and be available for employees to review. The plan must include employee training and define & ensure the employee understands their role and responsibilities.

**The fire code requires emergency action plans for certain occupancy classifications as well as OSHA.*

Compliance
